The Mental Health Task Force of Polk County

Who We Are

The Mental Health Task Force of Polk County is a 501 C3 nonprofit organization, comprised of a coalition of community partners including area medical and mental healthcare providers, government and law enforcement representatives, human service agencies, volunteer organizations, school counselors, treatment facilities, educational services, and community members.

Our Mission

- Reduce the stigma that is associated with mental health issues
- Improve access to mental health care
- Increase awareness of mental health issues through educational programming
- Identify and address mental health issues that face our community
- Prevent suicide by building awareness within our community

You Are Not Alone

Statistics show that 1 in 4 people are affected by depression. The Mental Health Task Force wants you to know that help is available, right now and in your community!
